

Our impact

Southampton
Hospitals
Charity

Charity Registration Number: 1051543

Over the past six months of this year, we funded £1,814,619 worth of projects at University Hospital Southampton.

Research

We have worked closely with the Research & Development team and funded **£483,016** towards research projects.

£464,547

on patient welfare:

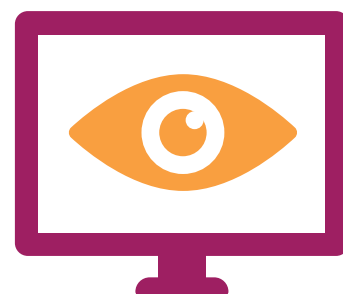

- A specialist beauty therapist to work across all cancer wards providing therapies to patients undergoing treatment.
- Washbags and toiletries for Neuro patients admitted in an emergency or via the emergency department.
- Furniture including desks and chairs as well as craft materials for the new children's play retreat.
- Outreach art sessions in our medicine for older people wards.

Funding

We have also funded **£475,000** of projects from our priority appeal including:

- Patient Wifi.
- Staff meal discounts.
- Website accessibility for patients.

£218,356

on kit and equipment including:

- A 4D eye scanner which allows a more accurate scan of the eye, making treatment and diagnosis quicker.
- A specialist trolley to transport an incubator in the air ambulance for use by the Southampton/Oxford neonatal retrieval teams.
- Reclining chairs for the new cancer ward side rooms, enabling loved ones to stay with patients during end-of-life care and treatment.
- A mobile projector, complete with an interactive games package for use on the paediatric cardiology ward.

£98,777

on staff welfare including:

- The refurbishment of the neurological theatres staffroom, including furniture for use by the organ donation team.
- Fridges and microwaves for staff areas.

£74,923

on staff training and conferences:

- In total we funded over 100 different courses and conferences for over 400 clinical staff.
